Retail sell-through, not wholesale revenue. Source: Target POS / inventory reports, store level, weeks ending 04/18/2026 through 08/01/2026 (14 weeks since the full national set). All Target velocity and run-rate figures are computed on that same 14-week period; Target's store-level report does not cover Jun wk 5. Run rate annualized from average weekly retail sell-through. Sam's Club: Q1 2026 club test, weeks ending 12/26/25 through 01/16/26; club and samsclub.com reported separately. Erewhon rank: Chocolate/Candy category by units, promotional week. WH Smith rank per vendor sales data across comparable stores, 8-week test.
